HÜTTEN

📍 7212 Seewis

An alpine base below the Schesaplana – a true classic in the Rätikon mountains.

The **Schesaplana Hut** sits at 1,908 meters – surrounded by the dramatic peaks of the Rätikon and directly beneath the majestic Schesaplana (2,965 m), the highest summit in the region.

This mountain hut is a popular starting point for alpine tours, hut-to-hut hikes, or an ascent of the Schesaplana itself. But it's also well worth the visit for day guests – with warm hospitality, homemade food, and breathtaking views waiting at the top.

The Schesaplana Hut is open during the summer months and offers both meals and overnight stays in traditional dormitory-style accommodations.
