INN/TAVERN

 Klostertalerstraße 25, 6752 Dalaas

Traditional simple inn in Dalaas with a beautiful spacious garden in summer and a cosy lounge.

The simple inn with home-style cooking, a beautiful garden and a lawn for sunbathing is situated at the beginning of Dalaas. Our house is an ideal starting point for many walks, such as the beautiful 'Formarinsee' and the beautiful 'Rote Wand'. In winter you can reach the skiing area at the Sonnenkopf in a few minutes by car or with the free local bus (the bus stop is directly in front of the house). Also the Ski-Eldorada at the Arlberg is only 30 minutes away. Smaller groups (up to 15 persons) are very welcome. Translated with www.DeepL.com/Translator (free version)
