ski area in Stuben am Arlberg

The ski area Albona / Valfagehr is the insider tip on the Arlberg. Especially in spring, the Albona is one of the most popular ski resorts at all. Here skiers follow the call of the mountain. As a local mountain until May, the Albona offers new challenges every day for winter sports enthusiasts, snow and sun lovers. Rarely does a mountain offer so many skiing and downhill possibilities.

Skiers in Stuben enjoy a direct ski connection to the world-famous ski resorts of St. Anton, St. Christoph, Zürs and Lech via the Albonabahn.
