

Wasserstuben Alpe

ALPINE DAIRY/SNACK BAR

 6752 Dalaas

Snack station in the Sonnenkopf hiking area

The Wasserstuben Alpe is located near the Sonnenkopfbahnen and is very easily accessible from there, making it ideal for a family hike (about 1 hour and 30 minutes round trip). The Alpe offers a sale of its own alpine products and a small snack menu. Enjoy the very good "Sura Kees" (a Montafon specialty) and the alpine butter.

The opening hours depend on the alpine season, from mid-June to mid-September (depending on the weather).

Only cash payment is possible.
