MOUNTAIN HUT/MOUNTAIN RESTAURANT**SHELTER**

 **Rauz 1, 6762 Stuben am Arlberg**

At the origin of the sun - Welcome to the Ulmer hut!

The Ulmer hut is an Alpine Club hut of the Ulm section of the German Alpine Association. It is located at 2288 m above sea level, surrounded by the world-famous winter sports resorts around Ski Arlberg. The Alpenvereinshütte was built in 1903 and is constantly expanding and today offers all the comforts of a mountain inn. It is located in the midst of the fashionable ski area on the Arlberg directly on the slopes and is thus easily accessible even in winter. In summer it is the base of the Lechtaler Höhenweg. The longtime landlords Karin Turin are well known with their team for their hospitality and the professional hospitality of their guests.
