

Alpe Steris

ALPINE DAIRY/SNACK BAR

📍 6731 Sonntag

Snack station Sterisstüble, alp product shop, alpine dairy

The beautiful and at the same time largest Walseralpe lies like on a balcony at the foot of the Kellaspitze and the Breithorn.

The farmer's wife Andrea Schwarzmänn will spoil you with food and drink during the alpine season.

The popular breakfast on the Alpe Steris, every Wednesday, consists of farm and regional products, homemade bread, alp cheese and Riebel. Registration required.

Get on your way (walking time from Marul approx. 2 hours, from Sonntag-Stein approx. 1.5 hours).

Of course you can also take the Alpbüs (every Wednesday - with registration).

Open from approx. beginning of June - approx. beginning of September
