MOUNTAIN HUT/MOUNTAIN RESTAURANT

SHELTER

What could be nicer than the view from the Frassenhütte with a good meal?

A serviced alpine Club hut at 1,725 m with breathtaking panoramic views of the Rätikon, the Silvretta, the Walsertal and Switzerland.

During your stay with us at the hut, whether as a day guest or an overnight guest,

Tenjing and her team will take care of your physical well-being. We cook ourselves, FRESH, with regional products from the region.

Typical dishes such as Tyrolean dumplings with soup, dumplings with sauerkraut, cheese spaetzle, Tyrolean Gröstel but also Nepalese cuisine such as Dal Bhat or ChuMin will satisfy every hungry hiker. After a homemade cake or strudel with coffee, you can then start your descent in comfort.

For overnight guests or early mountain hikers, we also serve a hearty breakfast with sausage, cheese, jam, honey, etc. We are also happy to offer our overnight guests half-board (also vegetarian) with starter, main course and dessert as well as breakfast the next morning.
